TALENT GRANGE NEWS

The Talent Grange met in regular session Thursday, June 20, with visitors present from the Phoenix Grange. Prior to the business session the Grangers enjoyed a covered dish dinner.

Mrs. C. E. Borg gave her report to the Grange of her trip to the State Grange Convention at Salem.

The program for the evening was in charge of the Home Economics Club and was in honor of Father's Day. Songs, a reading entitled The Origin of Father's Day, musical selections, and a quiz contest for the men completed the entertainment for the evening.

Because the next regular meeting night falls on a holiday the Talent Grange will not meet on that date but instead will meet with the Bellview Grange as their guest on Tuesday, July 2. The Bellview Grange is treating the Talent Grange to a wiener roast following the meeting.

The Talent Grange will hold its next regular meeting on July 18, with Mr. and Mrs. E. C. Gardner and Mr. and Mrs. L. O. Penland serving on the hospitality Committee.

Our professor walked into the barber shop and sat in a chair next to a woman who was having her hair bobbed. "Haircut, please," ordered the professor. "Certainly," said the barber, "But if you really want a haircut would you mind taking off your hat first?"

The customer hurriedly removed his hat. "I'm sorry," he apologized as he removed his hat and looked around, "I didn't know there was a lady present."
