COUNCIL ACCEPTS BUDGET

The Talent City Council Tuesday night accepted the 1967-1968 budget as it was presented by budget committee chairman Rev. Clark Smith.

The budget committee proposed a budget of \$94,222, lower than the 1966-67 budget of \$97,609.

This year's budget is within the 6% limitation.

The budget proposal included \$30,889.50, general fund; \$33,000, utilities; \$12,500, streets and \$17,832, bond issue.

The total amount to be raised by taxes is \$33,913.

Raises for city employees were included in the new budget. The water clerk was made a half time job at \$2400 a year. The part time assistant to the watermaster was changed to a full-time job at \$4,900 and \$2400 was allowed for a part-time patrolman to assist the city police.

In other action, the Utility Board presented a recommendation on bringing water and sewer rates and user's classifications more in line with those of other cities.

Action is expected to be taken on the recommendation at the next regular council meeting, scheduled for April 11, 8:00 a.m. at the city hall.
